

**HMC Series - 2** Hydraulic Mini Crane 1100/1700lb - 120in 499/771kg - 304cm

- An exceptionally low-profile boom perfect for the Sportfish yacht.
- 10ft (3m) long boom capable of being fully loaded to its safe working load capacity in *any* position without restriction.
- Features our silent operating *Hydraulic Linear Winch* system, a totally non-fouling winch design.
- Powered by a remotely mounted one-horsepower hydraulic power unit for performance and hidden from the elements.
- Aluminum hydraulic cylinders with internal safety locking valves acuate each function for unsurpassed corrosion resistance, dependability and reduced weight.
- Sealed steel bearings permit smooth manual rotation.
- An optional hydraulic power rotating standpipe may be selected for enhanced control and ease of operation.
- A through-deck standpipe is the standard mounting structure for stability and performance.

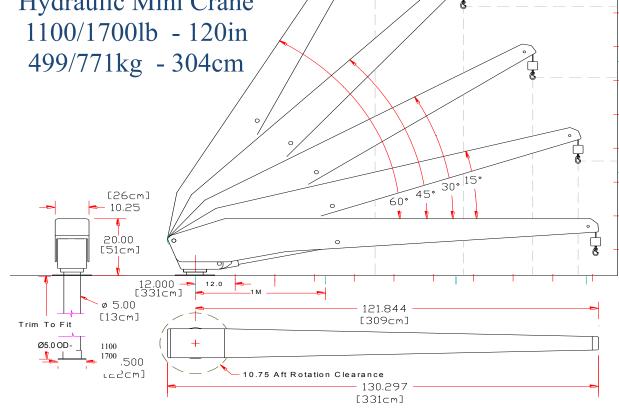

An optional pedestal base mount may also be used in some applications.

- System is finished to Nautical Structures **highest level of quality**, wash primed, exposed welds are faired, 2-part high build primed again, then two top coats of 2-part urethane paint are applied. Our standard colors are Matterhorn white, Off White and Snow White. All other colors will be a special order and quoted upon request.
- Davit is assembled and tested prior to shipment.
- 1-YEAR WARRANTY including material and workmanship, electrical, hydraulic and labor. See warranty for details.

## **HMC Series - 2** Hydraulic Mini Crane 1100/1700lb - 120in 499/771kg - 304cm

Pedestal base mounting is available. Pedestals may be cylindrical or pyramid in style, bolt-down or weld-down in configuration.
